

FC PITTSBURGH SOCCER CLUB

2025-26 Year

Girls 2010 Age Phase Road Map

Head Coach: Todd Strelec

Team Objectives: Expand on the 11 v 11 model. Emphasizing Player Technical and Tactical Development, Team Shape, Spacing and Movement and Transitional Awareness. Our training sessions will focus on Tactical Awareness, building the play from the back with possession, through the midfield and building to an attack in the final third of the play.

****Possible 4th or 5th Additional Tournament (at extra cost) upon Team discussion and DOC approval****

Other Info:

We will chart an aggressive plan to assist the girls in planning college and/or careers after High School. We ask that every girl talk to the coaches about their plans. We do our best to help them set a road map to achieve their goals after High School.
